**FREE TO DANBY RESIDENTS WHO ARE SENIOR CITIZENS OR  
WHO HAVE DISABILITIES: HOUSE NUMBER SIGN**

The house number sign is metal and reflective. It enables emergency personnel, as well as other services and neighbors, to find your residence quickly. White numbers appear on both sides of the sign against a green background. You have probably already seen some on Danby roads. The sign is to be placed at the end of the driveway, mounted either on the mailbox or its own post.
